TWENTIETH ANNUAL REPORT

For the Year ending 31st December, 1932

TO THE SUBSCRIBERS

LADIES AND GENTLEMEN,

The past year only increased, instead of lightening, the economic strain under which we have been labouring for the past two or three years, and we have therefore to be specially grateful for the wonderful support which the Hospital has continued to receive.

A few subscribers have been obliged to decrease, or even to discontinue, their help, and many patients in the general wards have been unable to make much contribution towards the cost of their treatment, but on the whole there has been very little falling off of support and the Managers are deeply appreciative of the loyalty and enthusiasm of the Hospital's many friends.

The analysis of cases for 1932, is as follows :—

Number of Patients in Hospital on 31st Dec., 1931	37

Of these, 80 patients were treated in the Private Wards, 571 in the General Wards, and 17 in the Balcony Wards. 104 cases were sent by the Local Education Authority for Tonsils and Adenoids operations. Payments for maintenance made by other patients in the General Wards, according to their means, were as follows :—

FREE CASES	130
At rates not exceeding 10/6d. per week	67
Above 10/6d., but not exceeding 21/- per week...	39
Above 21/-, but not exceeding 30/- per week ...	21
Above 30/- per week	72

while payments were made on behalf of 37 patients by the Approved Societies and of 101 patients by the Hospital Contributory Associations of which they were members.

Radium

During the year 17 patients (six in the Private Wards and the rest in the General Wards) were treated by irradiation. In the majority of cases great improvement has resulted and the outlook is considered good.

Board and Committee Meetings

The Board of Managers and the Visiting, House and Finance (or "House") Committee have met each month, except in August, throughout the year, and the average attendance at the meetings of the Board for 1932 is 14, the same as the previous year.

Board of Managers

At the Annual General Meeting of Subscribers, held in April, Mr. A. Dugdale, J.P., of Golders Green, was elected to the Board of Managers. No further changes have occurred since the last Report was published.

Medical and Surgical Staff

Dr. Agnes Swanson, of Golders Green, Dr. D. A. Grattan, of Mill Hill, and Mr. F. C. Blaaberg, of Golders Green, accepted the invitation of the Board to join the Honorary Staff of the Hospital in April.

Grants from Central Funds

The following grants for purpose of Maintenance are most gratefully acknowledged :—

	...	£	s.	d.
King Edward's Hospital Fund	...	304	0	0
Hospital Sunday Fund	60	0	0
Alexandra Day Committee	250	0	0

Subscriptions

As stated in the opening paragraph, a few supporters of the Hospital have been obliged to decrease, or discontinue, their help, and the amount of money received as Annual Subscriptions is, therefore, slightly lower than that of last year. The totals for the last three years are as follows :—1932, £484 1s. 0d. ; 1931, £498 3s. 9d. ; 1930, £436 4s. 0d. In the following paragraphs are set out particulars of help given to the Hospital in other directions and in view of so many generous responses it may seem a little ungrateful to comment on the comparatively small number of Annual Subscribers, but the Board of Managers would like to urge Annual Subscriptions as the very best means of helping the Hospital, because they provide a reliable income from year to year.

Donations

The Managers are grateful for the large number of donations which have been received this year, especially those of £717

from the Hospital Fête Committee, and £61 5s. 6d. from residents of Hendon Hall, being a collection made there at Christmas, 1931, by Mr. Clarence Freeland, also for a legacy of £100 (less duty), under the will of the late Mr. John Alexander Thomson.

Box Collections

The number of people in factories and workshops contributing weekly to Hospital Contributory Schemes has increased by leaps and bounds during the past few years and this fact accounts largely for the falling off of box collections for this Hospital. The other factors are unemployment and decreases in weekly earnings. Mr. A. J. Watson, the Hospital's Box Collector, has been very energetic since his appointment last May and has succeeded in placing out a large number of boxes in addition to those already distributed throughout the district, so that the total collected is only a few pounds short of the previous year's. The figures are : 1932, £125 11s. 4d. ; 1931, £131 12s. 5d.

Fête and Carnival

The Hendon Urban District Council again extended to the Fête Committee the privilege of using the Burroughs Sports Ground of the Education Committee for the 12th Annual Fête and Carnival, which was held on Saturday, 4th June, and opened by the Chairman of the Council, Mr. Councillor Monro. The Fête Committee and their large band of helpers, including those who ran side shows and gave displays, added another great success to their reputation and the Board of Managers desire to congratulate them, as well as to express to them their sincere gratitude for the time and hard work so loyally given.

Pound Week

Yet another record was made this year by the collection of 8,540 lbs. of goods. The value of the goods was estimated to be about the same as last year (£200) and all the gifts were of excellent quality. Gifts in money amounted to £7 16s. 4d. The Board of Managers desire to express their appreciation of the splendid response which is made year by year to this appeal for the filling of the Hospital larder.

Stock Exchange Dramatic and Operatic (" Help Yourself ") Society

In respect of the sale of the Society's Annuals by and on behalf of this Hospital, a cheque for £70 was sent in December to the Treasurer. The Managers are very grateful to those friends who bought or sold copies, but they still feel that there are many

residents in Hendon who buy their copies elsewhere and they would like to remind them of the claims of their local Hospital, as the amount of money received by participating charities depends entirely upon the number of books they are themselves able to sell.

Other Gifts

Utensils, old linen and other useful things have been welcome gifts during the year, including Harvest Festival offerings from the Ministers and congregations of local Churches, and special gifts for Christmas from many kind friends. A vapour bath was presented by Mrs. McQueen, a self-propelling chair by Mr. and Miss Mansey, a wheel chair for outdoor use by Miss Massey, a carrying chair by Miss Bates, hot water bottles by the Rubber Growers' Association, while "Louis" of Watford Way has sent a large supply of cakes to the Hospital weekly.

Investments

The holding of £440 18s. 0d. of 5% War Stock (1929/47) has been converted into the new 3½% War Stock, in accordance with the terms of the Conversion Scheme.

Inspection

The Hospital was inspected on the 27th June, 1932, by Mr. J. P. Hedley, F.R.C.P., F.R.C.S., and Mr. Reginald Crow, the visitors appointed for that purpose by King Edward's Hospital Fund for London.

Charter Day

By invitation of the Special Committee dealing with Charter Day Celebrations on 26th September, there was included in the procession of trade and other vehicles, a motor ambulance, fully equipped and staffed, and bearing the name and badge of this Hospital. The ambulance was kindly lent and staffed by the St. John's Ambulance Brigade.

Thanks

The Board of Managers desire to express their sincere thanks to :—

The Medical Superintendent, Matron, Surgeons and Doctors for their untiring devotion, and to all members of the Staff of the Hospital for their loyal work throughout the year;

The Clergy of the district for the frequency and regularity with which they have visited the Hospital to cheer the patients ;

The League of Remembrance for making up new linen, also gowns, caps, swabs, etc., for use in the theatre. This voluntary work and the excellent way in which it is performed is sincerely appreciated by the Matron and saves the Hospital very considerable expense ;

Subscribers and Donors, and to those who have given gifts in kind ;

Members of the Fête Committee for their enthusiasm and efficiency, and to everyone who helped to make the Fête so great a success ;

Those who have given time and work to the organisation of services, dances and entertainments in aid of the Hospital ;

The Head Masters and Head Mistresses of the Schools, and their pupils, for their continued co-operation, especially in regard to Pound Day, and the collection of metal foil ;

Those who have held collecting boxes during the year ;

The Lady collectors who have secured a large proportion of the Annual Subscriptions ;

The Hendon Borough Council for facilities given for meetings of the Board of Managers and the Fête Committee, held at the Town Hall ;

Messrs. Price, Waterhouse & Co., for acting as Honorary Auditors, and to the Local Press for the immense help they give in making known to the public the needs of the Hospital ;

And, lastly, to Mr. A. G. Pike, Honorary Secretary and Treasurer, and Miss D. A. W. Morris, Almoner and Assistant Secretary for their services on the secretarial and financial side of the administration.

Signed on behalf of the Managers,

B. ERNEST FIGGIS,

Chairman.

15th February, 1933.

ALMONER'S REPORT ON AFTER-CARE WORK

Convalescence

Twenty-two patients were sent, at the request of their Doctors, to Convalescent Homes. Admission was obtained by appeals for Subscribers' Letters, and additional fees were met by application to Approved Societies and Hospital Contributory Associations, or by a grant from the Almoner's Fund. These advances were loans and were repaid by the patients on receipt of Sickness Benefit under the National Health Insurance Scheme.

Special Treatment

Two patients were sent to special Hospitals for long treatment, one of whom is still at the Royal Sea-Bathing Hospital.

Other Help

Advances have sometimes been allowed for extra nourishment, railway fares, etc., until the patients have returned to work. One patient was found suitable lodgings on her return from five weeks' convalescence, and helped to find another post. A further advance of £1 was allowed her for new uniform. All these advances have been repaid.

Permanent Help

Two chronic invalids who have been patients in this Hospital are kept in touch with and helped in various small ways. One of them has been put in the way of receiving a permanent weekly grant.

Accident Claims

Twenty-seven patients admitted to Hospital as the result of road accidents have been assisted in making compensation claims. Of these eight have so far been satisfactorily settled and the rest are still under consideration.

Insurance

Investigations have sometimes disclosed ways of preventing the forfeit of sickness benefit for various reasons and enabled patients to put their affairs in order for the future.

Thanks and Appeals

The Almoner would like to acknowledge her debt to the Honorary Solicitor to the Hospital for his help and advice on various matters; also to members of the Hendon Rotary Club and other residents for the loan of their cars and for other services rendered to patients from time to time. She would be most grateful to receive Subscribers' Letters (" Ordinary In-Patient ") for the Royal Sea-Bathing Hospital, Margate, and for any Convalescent Homes.

To Our Friends—

We earnestly invite your consideration of the following:—

AS the List of Subscriptions is not nearly commensurate with the size and importance of the District served by the Hospital, present Subscribers are earnestly requested to induce those of their friends who do not contribute to the funds of the Hospital to become Annual Subscribers, and thus assist the Managers by assuring them a larger *permanent* income. The Honorary Secretary will be very grateful for the Names and Addresses of those, not already contributing, who are likely to subscribe to the Hospital.

For “Subscriber’s Remittance Form” see over leaf. For “Subscriber’s Form of Agreement” (to which the attention of Annual Subscribers is specially requested) and “Bank Order Form,” see tinted pages following. For “Forms of Bequest,” see page iii of cover.

ANNUAL SUBSCRIPTIONS

are very much needed, and are earnestly solicited, as they form almost the only reliable income of the Institution.

I desire to become an Annual Subscriber to the Hendon Cottage Hospital, Hendon Way, N.W. 4, and herewith enclose † for the sum of £ as my subscription for the year 193 , which please acknowledge to the following address:

† State whether
Cheque, Bank
or
Postal Order.

Name.....

Address

Date

This Form, when filled up, to be forwarded with Cheque, Bank or Postal Order to :—

The Secretary, Hendon Cottage Hospital, 357, Hendon Way, Hendon, N.W. 4.

(A special form of Bank Order is printed on opposite page).

IMPORTANT NOTICE TO ANNUAL SUBSCRIBERS OF ONE GUINEA AND UPWARDS

Annual Subscribers, by filling up the following “Form of Agreement,” will enable the Hospital to recover Income Tax on their contributions, and will themselves be entitled to deduct the gross amount of their subscriptions from their super-tax returns.

FOR EXAMPLE:—In the case of an annual subscriber of 10 guineas (other amounts are in proportion—*see table overleaf*):—

- (a) He sends to the Hospital his usual cheque for 10 Guineas and with it a certificate that he has paid Income Tax on £14 0s. 0d. (*The Hospital can supply forms of certificate if desired*).
- (b) The Hospital can recover £3 10s. 0d. (Income Tax) from Somerset House.
- (c) The subscription is shown in the Hospital's list as £14 0s. 0d.
- (d) The subscriber is entitled to deduct £14 0s. 0d. from his super-tax return.

TABLE

Shewing the results of the procedure described
on the preceding page

Annual Subscription			Income Tax recoverable by Hospital (at present rate)			Subscription shown in Hospital's Accounts as:—		
£1	1	0	£0	7	0	£1	8	0
2	2	0	0	14	0	2	16	0
3	3	0	1	1	0	4	4	0
4	4	0	1	8	0	5	12	0
5	5	0	1	15	0	7	0	0
10	10	0	3	10	0	14	0	0
21	0	0	7	0	0	28	0	0
50	0	0	16	13	4	66	13	4
100	0	0	33	6	8	133	6	8

It will be evident from the above figures that at no extra cost to themselves (but rather, if liable to super-tax, to their personal advantage) subscribers can increase the value of their contributions **to the Hospital** by no less than one-third ($33\frac{1}{3}\%$).

FORM OF AGREEMENT

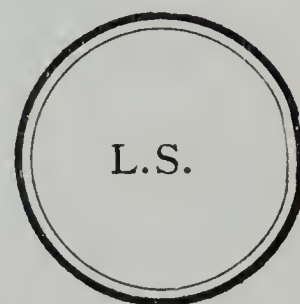

I,

of

hereby covenant with The HENDON "King Edward Memorial" COTTAGE HOSPITAL, in the County of Middlesex, that for a period of seven years from the date hereof or during my life (whichever period shall be the shorter) I will pay annually to the said Hospital such a sum as will after the deduction of Income Tax leave in the hands of the Hospital a net sum of £ : :

(pounds shillings and pence) such sum to be paid from my general fund of taxed income so that I shall receive no personal or private benefit in either of the said periods from the said sum or any part thereof.

FORM OF BANK ORDER

It is suggested that Subscribers should preferably adopt this Bank Order for their Annual Subscriptions, as it avoids all future trouble in paying the amounts, saves the expense of collecting, secures safe transmission, and is absolutely useless except to the Hospital. Bankers will, according to custom, pay the amount direct to the Hospital's Bankers. The Order may be withdrawn at any time, at the will of the Subscriber.

We have examined the above Balance Sheet and the foregoing Income and Expenditure Account, and having compared them with the books and records of the Hospital we find them to be correct. We have verified the Investments and Bank Balances. To the best of our knowledge and belief the regulations of the Revised Uniform System of Hospital Accounts as adopted by the Central Funds have been followed in the preparation of the Accounts.

REGULATIONS AS TO PATIENTS

GENERAL WARDS

1. The Hospital is intended for the relief of those suffering from sickness or accident resident in the Borough of Hendon, and for accident cases therein.

2. Except in cases of accident or sudden emergency, before the admission of a patient to the Hospital, a letter (a form of which can be obtained from the Matron) should be sent to her at the Hospital (after ascertaining from her that a bed is vacant) containing:

- (A) A statement, signed by one of the regular Medical Practitioners in the immediate neighbourhood, that from his personal knowledge the case is suitable and likely to be benefited by such admission.
- (B) A guarantee, signed by some responsible person, for the payment of the sum required for maintenance, and for the removal of the patient if requested by the Board of Managers.

3. In case of accident or other sudden emergency the Matron may give provisional admission, sending immediate notice thereof to the Medical Officer on the rota for duty, who will give his directions for the retention or discharge of the patient. Persons residing outside the District who are admitted in emergency to the General Wards may be regarded as private patients and be liable for medical fees.

4. Cases of contagious or infectious disease, mania, epilepsy, or tuberculosis of the air passages, are not admitted.

5. Patients will be expected to pay for maintenance according to their means as ascertained from the inquiries made by the Almoner, but no case is refused admission to the Hospital on the ground of inability to pay.

6. Patients will not be allowed to go out of the Hospital grounds without leave from their Medical Attendant.

7. Any patient guilty of profane, abusive or unbecoming language or behaviour will be liable to dismissal from the Hospital.

8. The House Committee shall have the right, in consultation with the Medical Superintendent, to discharge any patient from the Hospital at such times as they think fit.

9. Patients will be required to make arrangements for the washing of their own clothes.

10. The friends of patients will be allowed to visit them between the hours of 2.30 and 4.30 on Sunday and Wednesday afternoons. All other visits (except to patients on the "danger list," who may be visited at any time) will be subject to special permission being given by the Matron, who will consider the convenience of the Hospital. Such visitors are strictly prohibited from bringing to a patient any articles of food or drink, not sanctioned by the Medical Attendant.
